

Kevin James Buchman  
11/12/90 – 2/17/10

On February 17, 2010 our lives changed forever. Our 19 year old son took his own life resulting from a battle with undiagnosed depression. Kevin was a 2009 BHS graduate and a defensive leader on the football team. He had a smile that would light up a room. His face was not a face that anyone expected to see on a page about suicide. Since the day of his death, we have committed ourselves to increase our awareness about the illness of suicidal depression, to educate others, and to save lives through prevention.
