

A Lasting Legacy...

Imagine being able to honor your loved one anytime of the year through SAVE's "Named" Memorial. In addition to providing you the opportunity to support SAVE's suicide prevention programs and operations, creating a "Named" Memorial allows you and others to

Gilbert Donald Kaye and his daughter, Randi Kaye

continue to remember them on holidays, birthdays and other special occasions for years to come.

A gift establishing

or adding to your SAVE "Named" Memorial enables SAVE to continue and expand vital life-changing depression awareness and suicide prevention programs. SAVE Memorials support SAVE's programs and operations. SAVE's programs include our media awareness campaign, school-based suicide prevention program, community and professional presentations, educational materials and Web site, ...and with your help...much more!

SAVE "Named" Memorials support SAVE's programs and operations.

When your gift establishes a SAVE "Named" Memorial in memory, honor, or celebration of a loved one... it is celebrated with a plaque when the memorial reaches \$1,000 within a year's time.

The minimum gift to establish a memorial is \$100.

When a gift is added to SAVE's "Named" Memorial, an acknowledgement is sent to the person(s) or family you designate, informing them of your thoughtful remembrance, with no mention of the gift level.

A Special Tribute...

SAVE "Named" Memorials honor a special group of people. Families and individuals who establish a SAVE "Named" Memorial demonstrate support for SAVE's ongoing operations and mission.
