

OUR MISSION

To prevent suicide through education, advocacy, lethal means safety efforts, and support for suicide loss survivors.

SPONSORSHIP OPPORTUNITIES

SAVE is a national suicide prevention nonprofit working to end the tragedy of suicide through education, advocacy, lethal means safety efforts, and support for suicide loss survivors. We envision a nation that prioritizes mental health and suicide prevention while reducing the impact of suicide on families and communities. Programs like the [Survivors of Suicide Loss Day Memorial Event](#), school-based [Green Bandana Project](#), and our [One Step Ahead](#) suicide prevention training are just a few ways we work toward this goal while collaborating with other suicide prevention organizations nationwide. Advocacy efforts span a range of issues, from structural suicide prevention barriers and lethal means safety to online regulation protecting youth from social media harms. Fundraising and engagement opportunities are key in supporting our vital mission.

SAVE hosts and partners on a number of events including races and rides like [Run with the Herd](#), [Stride to SAVE Lives](#), [Tour de SAVE](#) and the [Natasha Lukacs Memorial Motorcycle Ride](#), golf tournaments, advocacy rallies and days of action, and creative programming not limited to concerts, fashion events, and comedy shows. SAVE seeks partners who are interested in sponsoring, collaborating, volunteering, or donating to our events. Opportunities to get involved are listed below, and more information can be found on succeeding pages.

To commit to a sponsorship or discuss other partnership opportunities, contact [Nancy Wurm](#) at nwurm@save.org or 952-208-8491.

RUN WITH THE HERD | THURSDAY, JUNE 12, 2025

Run With the Herd is an inspiring event created in loving memory of Tim Pofert. This 11th annual gathering invites family, friends, and community members of all backgrounds—from experienced marathoners to casual walkers—to come together for a meaningful cause. Every dollar raised supports SAVE – Suicide Awareness Voices of Education, a Bloomington-based nonprofit dedicated to preventing suicide through education, advocacy, support for suicide loss survivors, and lethal means safety efforts. As SAVE celebrates its 36th anniversary and grows its impact in 2025, your participation can make a profound difference.

Tim Pofert was a beloved son, grandson, brother, uncle, friend, and avid runner who embodied the spirit of our community. He had an affinity for the Bison, our group's symbol. Join the herd and make a difference. This run is for Tim.

SATURDAY, NOVEMBER 22, 2025

One of SAVE - Suicide Awareness Voices of Education's most mission-driven events, SAVE was honored to return its Suicide Awareness Memorial last year for the first time since 2019. The SAM event is a compassionate gathering designed to provide support, healing and remembrance for those who have lost loved ones to suicide. Its primary purpose is to create a safe space where survivors can come together to share their experiences, find solace and commemorate the lives of those they have lost. The SAM event features a reading of names, a memorial photo display, music programming, personal stories of loss and hope, resources and light refreshments. SAVE's mission is to prevent suicide through training, education, advocacy, and support of suicide survivors.

PRINTED PROGRAM SPONSOR - \$2,500
